Total number of hours required for degree			120	Total number of hours required for degree			120

7. Explanation of the Change:

This reflects the elimination of the IGR requirements. CSC 105 and a programming class (CIS 130 is recommended) are being moved into the core requirements. EPSY 210 was also required as an IGR so this course is also being moved into the core requirements. A new course, ENGL 308 Teaching Writing is also being added to the required course listing.
