3. **Provide a justification for terminating delivery at the site:**

   In 2020, DSU was approved for a new site request to offer our AS in Network & Security Administration at the "Rapid City University Center". There are no students registered for that site. It causes confusion when we report to HLC, because we have it listed as a site with no students. After consulting with BHSU, it was determined that this site be terminated.

4. **If there are current students in the program, what are the implications of terminating the site and what is the plan for completion by the students?**

   None

[1] If this is an off-campus site, please include the physical address of the site as a well as a description or name of the location.
[2] Note: Certificates, specializations, and minors may only be terminated and not placed on inactive status due to limitations in the student information system.
